Teams may have a maximum of 20 players, once a player has participated for one team they are registered to that team. Players may transfer from one team to another up to the midway point of the season the transfer will be valid 48 hours after formal notification in writing has been received by the Match Secretary. After the midway point of the season players not currently attached to a side in the League may be registered given the same period of notice, but no movement of personnel between sides will be allowed.

Please fill in the above form in **BLOCK CAPITALS (giving player's fullname)** letters.
* Date of Birth is only required if players are younger than 18.
